DGX Spark + NVIDIA DLI Promotion (South Africa): Campaign Terms and Conditions

1. Promoter

1.1 The promotion is run by Boston IT Solutions South Africa (Pty) Ltd (registration number 2020/579096/07), whose registered office is at 43 Magalies, Montpark Drive, Montgomery Park, Gauteng 2195 (**Boston**, **we**, **us**).
1.2 These terms apply together with Boston's standard terms of sale. If the two conflict, these terms prevail for the promotion.

1.3 Questions about the promotion can be sent to sales@boston.co.uk.

2. Campaign period

2.1 Orders must be placed between 17 November 2026 and 23:59 SAST on 31 December 2026 (the **Campaign Period**).

2.2 Orders received after the Campaign Period are not eligible for promotional pricing.

2.3 Training under Packages 02 and 03 must be booked by 1 February 2027 (see clause 9).

3. Eligibility and limits

3.1 The promotion is open to businesses, organisations and public bodies established in South Africa that buy for their own use. It is not open to individuals buying in a personal capacity. Products bought under the promotion may not be resold.

3.2 Ten (10) DGX Spark units are available in total across Packages 01 and 02. They are allocated in the order in which orders are accepted under clause 6. When all ten have been allocated, Packages 01 and 02 close.

3.3 There is no limit on the number of units one customer may order, other than the overall limit of ten units in clause 3.2.

3.4 Package 03 has no unit limit, but depends on trainer availability.

3.5 Boston may carry out credit, know-your-customer and export control checks, and may decline any order that does not pass them.

4. The packages

4.1 The packages are:

Package	What is included	Price (USD, excl. VAT)
01 Start	One NVIDIA DGX Spark and a complimentary virtual Boston-led introduction to NVIDIA DLI (not DLI training)	7,000
02 Invest	One NVIDIA DGX Spark and one seat on an instructor-led NVIDIA DLI course	7,050
02 additional seat	One further seat on the same course	150 per person

Package	What is included	Price (USD, excl. VAT)
03 Upskill	Bespoke face-to-face NVIDIA DLI training for up to 20 attendees (no hardware)	8,000

4.2 Package details:

(a) **Package 01:** the introduction is a virtual session of up to two hours, led by Boston. It explains the DLI courses available and helps the customer choose those that suit its team. It is not an NVIDIA DLI course and does not lead to an NVIDIA certificate.

(b) **Package 02:** the seat is on the instructor-led NVIDIA DLI workshop Building Agentic AI Applications with LLMs. Additional seats must be ordered with the Package 02 order.

(c) **Package 03:** the price covers one eight-hour instructor-led workshop, being a bespoke version of the NVIDIA DLI workshop Building Agentic AI Applications with LLMs tailored to the customer, which may include related NVIDIA tools agreed with the customer in advance, delivered at a venue in the Johannesburg or Cape Town metropolitan areas. Venue hire is not included and is quoted separately where required. Package 03 is training only and does not include a DGX Spark. Training elsewhere in South Africa is subject to a travel and accommodation uplift, quoted separately. Alternatively, it can be delivered online at the same price.

4.3 Complimentary items have no cash value and cannot be transferred or exchanged.

5. Prices, VAT and currency

5.1 Prices are shown in US dollars, excluding VAT. VAT is added at the standard rate, currently 15%. The Schedule sets out the VAT and the VAT-inclusive price for each package.

5.2 Prices do not include:

(a) delivery charges, which are quoted on order and invoiced separately;

(b) installation, configuration or other services, unless separately quoted; or

(c) venue hire for training, which is quoted separately where needed.

5.3 Orders are invoiced and payable in South African rand. The rand amount is the USD price converted at the prevailing USD/ZAR exchange rate at the date and time the quotation is issued, as shown on the quotation. Each invoice shows the USD price, the exchange rate, the rand amount and the VAT in rand.

5.4 A rand quotation is valid for the period stated on it. If the order is not placed within that time (or, for customers paying in advance, payment is not received in time), Boston will reissue the quotation at the exchange rate then applying. The USD prices stay the same throughout the Campaign Period.

5.5 If the VAT rate changes, the rate in force at the time of supply applies.

6. Ordering and acceptance

6.1 Orders must be placed by written purchase order or signed quotation quoting campaign reference BZA-SPARK-DLI-26.

6.2 An order is accepted only when Boston sends written order confirmation. Boston may decline an order, including where it fails the checks in clause 3.5 or stock has run out.

6.3 A DGX Spark is allocated to an order:

(a) for customers on credit account terms, when the order is accepted; and

(b) for all other customers, when Boston receives payment in cleared funds.

6.4 If an accepted order cannot be filled because stock has run out, Boston will tell the customer and refund any money paid in full within 10 business days.

7. Payment

7.1 Customers with a Boston credit account pay on their agreed terms, within their credit limit.

7.2 All other customers must pay in full in advance, in cleared funds, against a pro forma invoice. Stock is not allocated, dispatched or booked until payment is received.

7.3 Payment must be made in rand to the bank account named on the invoice. The customer pays its own bank charges, and Boston must receive the full invoiced amount.

7.4 Ownership of the products stays with Boston until they are paid for in full.

7.5 Late payment is dealt with under Boston's standard terms of sale.

8. Delivery and risk

8.1 The DGX Spark units are held in stock. Boston will dispatch as soon as reasonably practicable after order acceptance (for credit account customers) or after receiving cleared funds (for all other customers). Any delivery date given is an estimate only, and time of delivery is not of the essence.

8.2 Boston delivers to one business address in South Africa. Delivery charges are quoted on order and invoiced separately.

8.3 Risk in the products passes to the customer on delivery.

8.4 The customer must report any visible damage or shortage to Boston within 3 business days of delivery. This does not affect the customer's statutory rights.

8.5 If Boston has not dispatched within 30 days of the estimated date, the customer may cancel the affected package and receive a full refund of what it paid for that package.

9. Training

9.1 Training dates are agreed in writing after the order is accepted and, where clause 7.2 applies, after payment is received.

9.2 Training under Packages 02 and 03 must be booked by 1 February 2027. The training date itself may fall after 1 February 2027. Each seat is valid only for the delivery date agreed when it is booked. The Package 01 introduction must be taken within 45 days of order acceptance. A seat not used on its agreed date, and an introduction not taken within that period, expire. They are not refunded, credited or exchanged for cash.

9.3 NVIDIA sets the content, format, availability and certification of DLI courses, and may change them. Certificates are issued only to attendees who meet NVIDIA's assessment criteria. Attendees may need to create an NVIDIA account and accept NVIDIA's terms for DLI learners.

9.4 The customer may replace a named attendee with another of its own employees on at least 7 days' notice. Seats cannot be transferred to another organisation.

9.5 A booked date may be rescheduled once without charge on at least 14 days' notice. If a customer cancels later or does not attend:

(a) for Packages 01 and 02, the seat or introduction is forfeited; and

(b) for Package 03, Boston may charge 20% of the Package 03 price.

9.6 For face-to-face Package 03 training, the customer provides a suitable venue, power, network access, presentation equipment and attendee devices. Up to 20 attendees may take part.

9.7 If a trainer becomes unavailable, or events outside Boston's control prevent the training, Boston will offer another date or online delivery.

10. Warranty and statutory rights

10.1 Each DGX Spark comes with the manufacturer's standard warranty, which Boston passes on to the customer.

10.2 Nothing in these terms limits any right under the Consumer Protection Act 68 of 2008, where it applies, or any other right that cannot be excluded by law.

10.3 Subject to clause 10.2, Boston's liability is governed by its standard terms of sale.

11. General

11.1 The promotion cannot be combined with any other offer, promotion, discount, rebate or deal registration.

11.2 The promotion has no cash alternative and cannot be transferred.

11.3 Boston may change or withdraw the promotion for orders not yet accepted, by notice on the campaign page. Orders already accepted will be honoured on the terms that applied when they were accepted.

11.4 If campaign materials contain an obvious error, Boston will tell affected customers before accepting their order.

11.5 The products are subject to export control laws, including those of the United States. The customer must comply with those laws and must not export, re-export or transfer the products to any prohibited destination, end user or end use.

12. Data protection

Boston processes personal information collected through the campaign, including through the HubSpot registration form, as a responsible party under the Protection of Personal Information Act 4 of 2013. Our privacy notice is at www.boston-it.co.za/info/privacy. We send electronic marketing only to people who have consented or who are existing customers. Anyone can opt out at any time.

13. Trade marks

NVIDIA, DGX, DGX Spark and Deep Learning Institute (DLI) are trade marks or registered trade marks of NVIDIA Corporation in the United States and other countries. Boston runs the promotion; NVIDIA is not the promoter.

14. Governing law

These terms are governed by the law of the Republic of South Africa. The South African courts have jurisdiction over any dispute arising from them.

Schedule: prices

Package	Excl. VAT (USD)	VAT at 15% (USD)	Incl. VAT (USD)
01 Start	7,000.00	1,050.00	8,050.00
02 Invest	7,050.00	1,057.50	8,107.50
02 additional seat (per person)	150.00	22.50	172.50
03 Upskill	8,000.00	1,200.00	9,200.00
